

Will Steger Comes to UMD!

The **Longest Summer Tour** brings eyewitness footage of global warming from extreme polar expeditions, opportunities to dialogue with policy-makers, scientists and climate experts, and solutions from young climate leaders on the forefront of an international movement to solve the climate crisis. We are galvanizing our audience across the upper Midwest to lead the transition to a clean energy economy.

Wednesday, October 22

4:30pm

At UMD

Room: Chem 200

**Check it out on the UMD Homepage at: www.d.umn.edu
Or visit the tour website at: www.thelongestsummertour.org**
